- 7.3 All BLS services will be provided by MVFR.

- 8.2 Reports will include total patient referrals, location of referrals, time spent with patients, and enrollments into the case management system (Julota).

- 8.4 Costs associated with ESO integration into Julota will be paid equally by VRFA and SKFR from funds supplied for CARES support from MVFR.

9.0 Insurance

- 9.1 MVFR, SKFR and VRFA shall provide and maintain suitable commercial general liability and auto liability insurance policies to protect it from casualty losses by reason of the activities contemplated by this Agreement. - 10.2 If the parties are unable to resolve the dispute through negotiation, any party may demand mediation through a process to be mutually agreed to in good faith between the parties within 30 days. The parties shall share equally the costs of mediation and shall be responsible for their own costs in preparation and participation in the mediation, including expert witness fees and reasonable attorney's fees.
- 10.3 If a mediation process cannot be agreed upon or if the mediation fails to resolve the dispute then, within 30 calendar days, any party may submit the matter to binding arbitration according to the procedures of the Superior Court Rules for Mandatory Arbitration, including the Local Mandatory Arbitration Rules of the King County Superior Court, King County, Washington, as amended, unless the parties agree in writing to an alternative dispute resolution process. The arbitration shall be before a disinterested arbitrator with both parties sharing equally in the cost of the arbitrator.
