This is a non-represented, non-exempt, full-time position with responsibility for Community Risk Reduction (CRR) activities within the communities served by the Valley Regional Fire Authority and other contracted service areas. The Social Worker contributes to the success of the organization by providing support and assistance to meet the organization's goals and objectives. The Social Worker and internal CARES partners assist vulnerable community members in navigating to, and connecting with, a variety of healthcare, human, and social service providers.

## ESSENTIAL FUNCTIONS

- Serves as one of the VRFA's subject matter experts on social and human services.
- Provides care coordination, care management, client advocacy, resource identification, and system navigation for community members in need.
- Participates in the development, enhancement, and delivery of effective and culturally competent non-emergency services for vulnerable, underrepresented, and marginalized populations.
- Fosters strong working relationships with healthcare providers, as well as local and state human and social service agencies.

## BENEFITS

The Valley Regional Fire Authority offers a comprehensive benefit package that includes paid medical, dental, and vision; HRA VEBA plan; deferred compensation program, paid time off, and many more excellent benefits!
